No.543E.1165/91 D.

Ministry of Public Administration and Home Affairs, Independence Square, Colombo 7. 17th June, 1977.

To: All Secretaries and Heads of Departments.

Engineering Services

The Government has made the following decisions in regard to employment of Engineers in the State Services including Boards and Corporations:-

- (a) Engineers already in service in Government
 Departments, Boards and Corporations who have
 not obtained professional qualifications should
 enter into a bond to serve the Government for a
 period of 5 years after obtaining professional
 qualifications and that if they fail to enter
 into a bond they be not provided the necessary
 training for obtaining professional qualifications.
 - (b) In the case of new recouits to Government.

 Departments, Boards and Corporations Graduate
 Engineers before appointment enter into a bond
 to serve the Government for a period of 5 years
 after obtaining professional qualifications.
- 2. The value of the bond should be 8:35,000/=. Heads of Departments in consultation with the Engineering Service Board and Boards and Corporations in consultation with their respective Secretaries/Ministries should take immediate action to implement the above decisions.
- 3. The contents of this circular should be brought to the notice of all officers concerned in your Ministry/Department and in Boards and Corporations etc. under your Ministry.

Sgd: V.T. Navarathe Director of Establishments.
