Information and Communication Technology Service - 2018(II)2023**

To all the officers who have applied for the above examination,

As per the notification on the above efficiency bar examination published in the Gazette of the Democratic Socialist Republic of Sri Lanka No. 2,331 dated 04.05.2023, arrangements are being made by the Director General of the Sri Lanka Institute of Development Administration to conduct the said examination on 11.06.2023.

02. Your attention is drawn to the following matters related to the eligibility to apply for the said examination.

- I. The officers in Grade I, Class 3, of the Sri Lanka Information and Communication Technology Service shall strictly be eligible to apply for this examination.
- II. In addition, the officers, if any, who have satisfied in each and every way all the requirements for promotion to Grade I, Class 3, of the Sri Lanka Information and Communication Technology Service by the closing date of applications for the examination but have not been able to receive the relevant letter of promotion so far due to any delay and have applied for the above examination, can also be considered as officers who have satisfied the required qualifications.

03. However, in the context where more candidates have applied for this examination than expected, it is observed that a considerable number of officers of the Sri Lanka Information and Communication Technology Service who do not belong to either of the above categories and have not been qualified to apply for this examination, as well as officers of other services, have applied for this examination.

04. Under this circumstance, please note that a Google Form is introduced to identify the officers who are truly qualified to apply for this examination. Accordingly, only the officers who are qualified to apply for this examination as per paragraphs 02.I and II above should confirm that they are officers who are definitely qualified to appear for the above examination by filling out and submitting the Google form accessible via the link below. Action will be taken by me to inform the Director General of the Sri Lanka Institute of Development Administration to allow only those officers to appear for the examination.
