### Transfers in Development Officers' Service

Considering the transfer requests of the following officers of Development Officers Service, following transfers have been approved by me with immediate effect.

02. Since the appointment letters to Development Officers Service will be issued to the Graduate Trainees who are recruited in 2019 within one week, action will be taken to attach such officers as the successors of the officers included in the above mentioned list. Successors will not be nominated for the officers who are transferred and it is possible to select a suitable officer from the new officers attached to your office as successors.

03. You are kindly requested to release the officers in the list properly enabling them to assume duties at the new service station and further you are kindly informed that the transfer letters issued to each officer have already been posted.

04. Since most of the officers, who report to your Ministry/Department/Office, have served a number of years far from their permanent residence, you are kindly requested to consider their personal difficulties as well as the exigency of service when they attach to a suitable service station.

Sgd/ S. Alokabandara  
Director General of Combined Service
